

Financing Solutions [Integrity + Smarts]

First American helps you acquire the technology and equipment you need to stay ahead of the competition. Leading companies depend on First American for custom leasing and financing solutions.

Trusted Lender.

- + Competitive pricing with NO HIDDEN FEES
- + Fair, flexible terms & conditions
- + No brokering
- + Dedicated Project Manager
 - A single point of contact who administers the lease from beginning to end

Lower Costs.

Our customized lease structures help you capitalize on tax advantages and accounting benefits. With custom leasing and financing options, the cost to upgrade is spread out over several years, with a convenient monthly payment.

No Unpleasant Surprises.

Lease financing locks in your rate and avoids budget breaking interest rate increases.

Keep Your Cash.

Lease financing preserves cash for other uses. And there are no up front costs or unexpected fees of any kind. Ever.

Hear from our Customers.

"I have been impressed with how knowledgeable, professional, and courteous the staff at First American is."

Curtis Steer

Construction Technology Laboratories, Inc.

"We have, from day one, felt that First American really cared about what our business was."

Ray Rodrigues

Davis Brody Bond
